Headline:

Rather cloudy tonight. Some light rain at times.

This Evening and Tonight:

Any remaining showers will clear away through the evening, leaving a cloudy but mostly dry night. In any clear spells there could be some mist and fog. Light winds too. Minimum temperature 13 deg C (55 deg F).

Friday:

A largely cloudy day but remaining dry for most across the region. Similar temperatures to recently. Maximum temperature 22 deg C (72 deg F).

Outlook for Saturday to Monday:

An unsettled weekend with some heavy rain and showers. Much more settled conditions arriving for Monday, with drier weather and sunny spells. Feeling warmer as a result.
